Who are we?

With a graduation degree from the most reputed Sri Venkateshwara University, Andhra Pradesh, G R Prasad has started this firm to offer guard services to clients across Telangana and Andhra Pradesh. The passion and dedication to offering quality security services to its clientele have made the company achieve greater heights.

He only hires qualified and certified security personnel to protect the clients and their property. With rich experience in the security industry, he achieved many awards and made the company the first choice of many companies and individual clients to hire for their security needs. Maintaining consistency in the service offered is the core expertise of G R Prasad.

MR. G R PRASAD
